FALL CRAFT FAIR

The Fall Craft Fair is quickly approaching, Saturday, October 3rd, 9:00-3:00 pm.

It would not be possible to hold this event without your help. We are asking for donations of the following items: 12 packs of pop, cookies or bars for the lunch (2 cookies per bag), or cash to help cover expenses.

The money raised from the craft fair goes to help pay utilities and other general church expenses as well as help fund special projects around the church. Your help is appreciated.

HALLOWEEN PARTY

Fall is in the air. Which means Husker football, color changing and falling leaves on trees, and of course Halloween. Our neighborhood/community Halloween party for this year is scheduled for Sunday, October 18th from 1:00-3:00 p.m. Since our time, talent, and resources are always donated, we ask for help in many ways.

We are in need of **SMALL** bottles of pop, snack cakes, munchies, candy, small trinkets or toys to be used for prizes.

Like last year, Pleasant Dale, and Denton congregations will be asked to help us. Kids and their parents from the People's City Mission are also invited.

The annual haunted house will be in its usual spot upstairs. I usually come in the day before to set up the games and do some decorating, then finish up after church and before the party. I can always use help the day before. (I always work around Husker game day times.)

THANK YOU so much for any and all the help that

has been provided in the past. Last year we had 200 kids come through. I am excited to see what this year will bring.

Thanks so much.
Bob Lamb, Outreach Chair

P.S. Sign-up sheets for game help and donations will be available in the back after I return from Alaska.

YOUTH NEWS

Where did the summer go? It's hard to believe it is autumn!

In August, the Youth Group baked 32 pies and worked one full day at the Lancaster County Fair. Thank you to Tom and T.J. Coil for donating the rhubarb, Gloria Coil for helping make the pie crust, Julie Burt, Robert and Rhonda Sanford, Todd Seifert and Emily Seifert for helping prepare the pies. The youth did a wonderful job working together and enjoying a fun weekend. Also, thank you to all of the parents for transporting the kids to and from the church and/or the fair. It is always a busy weekend, and the youth really enjoy it!

Sunday school for the students started September 13, 2015. All children are welcome! There are going to be many exciting things happening the next few months!

Check out the new pictures on the bulletin board by the office!

THANKS

The family of Twilla Pohlman would like to thank all who sent sympathy cards and memorials to HUMC in honor of the life of Twilla. Also a big thank you for the HUM Women for the dinner meal served at Roper & Sons Funeral Home.

Enough: Discovering Joy Through Simplicity and Generosity

A recent survey found that over three in four Americans are stressed about the economy and their personal finances. Half were worried about providing for their family's basic needs. Over half of respondents reported feeling angry and irritable, and reported lying awake at night worried about this. The report concludes that the declining state of the nation's economy is taking a physical and emotional toll on people nationwide.

Our nation experienced a financial crisis some 8 years ago. Even though things seem better off than they were just a few years ago, economists argue whether or not the economy has truly recovered or not. Some people were barely affected by the economic downturn; others were hit hard and continue to try to work their way back from the loss of savings, jobs and homes.

Many people fell and continue to fall into the trap of the American Dream that tells us "you deserve it now," whether or not we can afford it or really even need it. All of us have struggled with these issues at one time or another. They are important issues that we cannot ignore. This is why, beginning October 11th, we will spend our worship time looking at Enough: Discovering Joy Through Simplicity and Generosity. During this sermon series we will explore what the Bible teaches us about financial management. Each week we will provide you with some practical tools you can use to assess your financial situation and develop a financial plan with a biblical foundation.

At the conclusion of the series, we will have the opportunity to make personal commitments of our offerings to God through our church in the coming year. We will consecrate these commitments in the worship service on Sunday, November 8th. I hope you will join us in the coming weeks as we look at how we can manage our financial resources and truly experience simplicity, generosity, and joy.

THANK YOU!

I would like to thank everyone who contributed Salads, pies and cakes for the Fall Festival Dinner. To those who helped prepare the meal, serve and clean up, your help was appreciated.

All profit from the dinner will be given to the general budget of the church.
