UMW READING PROGRAM

Clarification regarding United Methodist Women's library books. Those purchased by our local unit have a pocket in the back of each book with a card inserted. When checking the book out for your reading pleasure, please remove the card, sign your name to it and then insert the card into the pink box on the shelf. When we have books from the Conference United Methodist Women, their pocket and card are located in the front of the book and these books are on loan for six weeks at a time. If you are reading one of these books and need more time, please let me know and I can renew the book from the Conference Library.

A reminder for UMW members who are participating in the UMW Reading Program. Please turn in your name and the plan you have completed this year to Laura Pape by Monday, June 21st.

PASTOR'S NOTE

"BACK TO ZERO"

Recently pastors in our district were asked to read a book written by Gil Rendle entitled "Back to Zero". Gil challenged our denomination and local churches to change our focus from "survival" as an institution to "mission and calling" as a Wesleyan Movement. I propose that the Havelock Church consider this very issue as we look at our current resources and mission. Last year our income as a church was down by 5%. By the end of March this year our income was down by 30%. While in recent weeks we have seen some improvement, we are still far behind our current budget. I am asking all those invested in the mission of our church to attend the May 8th Administrative Council meeting at 7 pm where your input will be solicited on how we can better define and resource our mission. Subsequent to this meeting our Finance Committee will begin to deliberate on how we might reduce our budget if income does not increase. Below is our current 2012 operating budget as compared to our 2011 budget. Please be prepared to give input on how we might reduce expenditures as well as develop additional resources. Please make this meeting a priority. It would be much better to receive your input now than to hear your complaints when painful cuts are made. If you cannot attend, you may provide your input to your Lay Leader, Bob Lamb or myself.

Blessings, Pastor Chuck

RECYCLE OLD BOOKS

If you have books that you would like to donate, the Lincoln Public Schools retired teachers take turns every Wednesday morning from 9-11 a.m. manning space at the Big Red Self Storage location at 540 North 46th Street (on the east side, across from the Department of Motor Vehicles). Just load up what you have, drive over there, they are straight back from the main entrance and have people who are willing to unload for you.

I would like to thank everyone for their prayers, cards and visits while I was in the hospital. A special thanks to Pastor Chuck for his visits in the hospital.

Dear Friends,

Thank you so much for doing a donation drive for hygiene items for our pantry. We have a very difficult time getting these supplies. We get most of our food and other items through the Food Bank of Lincoln, but they rarely have hygiene items and cleaning supplies available. This donation will help many families that come to us with needs and we really appreciate your support!

Thank you for thinking of others and helping us at the same time. I know many people will appreciate the gifts you have provided. Happy Easter, He is Risen!

SUMMER MUSIC

The Worship Committee would like to encourage those with musical talents and a willingness to share that gift to sign up for Sundays throughout the summer. A sign-up sheet will be available soon.
