4th of July – 2016

This will be our 13th year of our 4th of July Community Block Party, 1:00-3:00 p.m., held in the HUMC courtyard.

There will be our usual fun games, prizes, a free hot dog meal and our 25 cent table plus more. There will be a drawing for two bicycles (a gift from Madd Dads) and other prizes.

We also can use your special garage sale leftovers any other small items (no clothes, furniture or food items) for the white elephant table. Cash donations would also be appreciated. We would appreciate donations of 2 liter bottles of pop and pencils for games.

Volunteers are needed to help set-up Monday morning at 9:00 am. Come dressed accordingly and patriotically. We will need help with games, between the hours of 1-3 pm. Afterwards we will need you to help tear down and clean up. Please see Sandy Carlson for sign-up or call, 402-464-0420.

FLOWERS

The following dates are still open on the flower calendar: July 10th, August 7th, 21st, 28th, September 4th and 18th.

This is a nice way to honor a loved one, someone's birthday, or anniversary, or in remembrance of someone who is deceased.

YOUTH NEWS

The last day of Sunday school for youth/children was Sunday, May 22nd. The youth are welcome to attend the Adult class held in the Friendship Parlor this summer.

AMY'S ADAGIO

As I write this article, it's been an interesting day for Leona and me. We arrived at church to discover that our phone lines weren't working. As I tried to figure out what was going on and placed a call to our telephone provider, Leona tried to make some copies on the Xerox machine only to find that it wasn't working either. I do have to admit that the phones not ringing made for a pretty quiet day but not having all the equipment in working order also meant that we were unable to do some of the things we needed to do. You'd be astonished how many things we copy and print around here!

It's frustrating when we expect something to work and it doesn't. We make plans for what we want to accomplish and tasks we need to complete and then find ourselves dead in the water – so to speak – because the tools we count on to help us don't work.

I wonder if God ever feels frustrated with us. He has plans and tasks and we are his tools to help him accomplish them. Some of us are workers, making sure that the lights turn on and the chairs and tables are set up; some of us are planners and take care of

organizing things; some of us are prayer warriors and ask God for blessings on our church and what goes on in and around it; some of us are givers and ensure that Havelock UMC has enough financial support to accomplish God's mission. And there are countless others that I haven't mentioned.

Where do you fit in God's toolbox? If you aren't sure, I encourage you to give it some thought. There is most definitely a place for you to work at HUMC. And God is counting on you to help him. Please don't be a dead phone!

In His Love,
Amy

THANK YOU

Dear Havelock UMC

Thank you so much for your generous donation of diapers and wipes to Diaper Depot from your Lenten Collection. We were able to give diapers and wipes to almost 50 families from what you gave. Because of people like you, we are able to carry on this much needed ministry in our community.

Bless you!
Carol Peterson

The first Sunday of each month we will be collecting diapers, wipes and Desitin ointment for Diaper Depot. The box will be placed in the narthex on Sunday, June 5th. Also, monetary donations will be accepted.

(1) Once all villagers decided to pray for rain, on the day of prayer all the people gathered, but only one boy came with an umbrella.

That's FAITH

(2) When you throw a baby in the air, she laughs because she knows you will catch her.

That's TRUST

(3) Every night we go to bed, without any assurance of being alive the next morning but still we set the alarms to wake up.

That's HOPE

(4) We plan big things for tomorrow in spite of zero knowledge of the future.

That's CONFIDENCE

(5) We see the world suffering, but still we get married and have children.

That's LOVE
